

# Guitar Accessories

When you purchase a guitar, some accessories are not included, but are crucial for playing. Picks will sometimes be used. Value packs with different thicknesses are very handy!

- Picks

Please ask the instructor if a capo will be needed. If so, this one works well!

- Capo

Because of the difference in guitars, we do not have a link to one set of strings. You can look up the type of guitar you have and ask for strings.

We have a suggestion for a strap, but we encourage you to look online for one that matches the style of whoever is taking lessons. There are a lot of really cool options!

- Strap

Depending on your guitar, you may not need a tuner. There are also apps on your phone for tuning!

- Tuner

If you would like your guitar to sit up, you will need a stand. You can also mount it using a wall stand!

- Stand

If you would like your sheet music to sit up, you will need a stand. You cannot mount sheet music on a wall!

- Music Stand

You may need a case. This depends on the guitar you buy.  
Please ask your instructor
